

Compact and handy high pressure washers for basic outdoor cleaning tasks

This high pressure washer offers a maximal pressure of 110 bar - enough to be efficient on light to moderately dirty surfaces. With Click&Clean connectivity a broad range of accessories ranging from nozzles, brushes, foam sprayers and patio cleaners can be attached.

- The C 110.7 is easy to use, move around and store with its compact and light weight design.
- X-TRA models have a trolley build in.
- The automatic start/stop system along with an aluminum pump makes this a reliable product.

You can make good use of the C 110.7 pressure washer. It is handy sized and the build-in trolley on the X-TRA models makes it easy to transport. This machine has a number of functions that cover basic cleaning needs and is used for tasks around the house such as cleaning of cars, bicycles, garden furniture, fences and small patios
